Little drop began falling down;
she was terribly scared,
but, all at once,
she found herself on the ground.

Little by little
other drops fell near her
and they formed a big puddle.

After a few days, they saw a light
at the end of the tunnel
and they were happy to see the sun again!
Littledrop and her friends let
the river carry them.

Little drop found herself floating
among the waves of the sea
again, thinking that it was wonderful
to be warmed by the sun!!!!!!
