These are the rules of the cooking game: choosing, cooking, chat, invent, laugh, taste, mix, remember and again cooking! I invented it with dad, one day in the kitchen of his restaurant. I can not wait to start: I'm waiting for my friends for our Christmas dinner! It's all ready: the oven is empty but will soon be full, just as our bellies! Here's the bell, our cooking game can begin! Who knows what good things we'll eat...

Despite the cold, her small light continued to work: usually in winter fireflies hibernate; She, however, was very curious and determined to find her friends and this made her shine even in the winter! She was amazed by all the white she saw around and was disoriented. She was enchanted by the lights of a store, the decorations of the streets or the headlights of cars ... As long as, just on the big Christmas tree in the schoolyard, she noticed ...

Print the two incipits, fold in half, and insert in the first two envelopes perhaps with a chocolate coin or with what you want!
